Our specialist trust department is there to assist you in gaining the most from your award.

Planning for a comfortable future following a catastrophic injury can be a time consuming and difficult period while you and your family are recovering from all the changes that have occurred. To help you find the best solution for the future our trusts specialists are,

- Experts in managing the compensation award for your benefit
- Able to use our combined trust management skills to reduce the costs of administration
- The familiar people that understand you and your family's needs
- Based in Hull so that you avoid dealing with or travelling to the London offices of the Court of Protection and Office of the Public Guardian.
- There to deliver our promise of life long legal support

When a person requires help with their future plans due to their injuries, our experienced professionals' help and advice becomes important for partners, family and friends.

**Our trust department has the knowledge to deal with,**

- Informing the necessary public bodies that require regular information
- Providing impartial advice to all concerned to ensure a secure future for investments
- Keeping you and those that care for you well informed of new developments in long term care
- Ensuring a compensation award is well managed for your future
